There are 14 candidates vying for national and Area office in this year's election. Here are their photos and, for those who would like more information about the candidates directly from them, the addresses of their personal websites. Ballots will be e-mailed on **January 2** to all APA voting members who have a valid e-mail address on file with APA. Those who do not will receive a mailed paper ballot.

To help APA members select the candidates they believe are best qualified for office, candidates' biographical and position statements will be posted online and accessible from online ballots beginning January 2. A booklet containing the same information will be mailed with paper ballots. Requests for replacement paper ballots must be e-mailed by January 23 to election@psych.org. The deadline for online voting and receipt of paper ballots is January 31 at 5 p.m. EST.

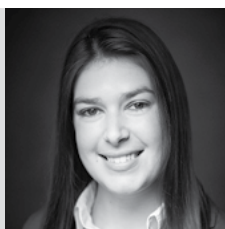

APA members wishing to campaign on behalf of a candidate are asked to review the APA Election Guidelines. They can be accessed at <http://psychnews.psychiatryonline.org/newsArticle.aspx?articleid=1754317>. Those with comments or questions about the election should e-mail them to election@psych.org. **PN**
